

Dear Community Partner,

The 21st annual Children's Water Education Festival, the largest event of its kind in the nation, will take place March 29-30, 2017 at the University of California, Irvine. More than 7,500 third, fourth and fifth grade students and their teachers are expected to attend the event, which is presented by the Orange County Water District (OCWD), National Water Research Institute, Disneyland Resort and the OCWD Groundwater Guardian Team.

The Festival presents a unique opportunity to educate students about local environmental issues and empowers them to take action to protect natural resources. Organizations and public agencies from Orange County and throughout California dedicate their time to teach these young environmental stewards. Since its inception, more than 115,000 children from schools throughout Orange County have been able to experience the Festival and all it has to offer.

This two-day event requires more than 500 volunteers. To express our appreciation for their time and commitment, volunteers have a chance to participate in an opportunity drawing that includes great prizes. We would be honored if you would support this worthwhile event by donating a gift certificate or item from your place of business to include in the drawing. Your donation will help communicate gratitude to the wonderful volunteers who make this event possible.

Donations are tax deductible as permitted by law. The nonprofit Tax Identification Number (TIN) is 33-0481107. To learn more about the event, visit [www.ChildrenWaterFestival.com](http://www.ChildrenWaterFestival.com). Thank you for your consideration and should you have any questions, please contact me at (714) 378-3202 or [cnettles@ocwd.com](mailto:cnettles@ocwd.com). We look forward to your support!

Sincerely,

Crystal Nettles  
Communications Specialist  
Orange County Water District
